Date: 25 October 2026

POPULACE PUBLISHING LTD
Populace Journal of Public Health and Epidemiology
Office of the Editor-in-Chief

Official Letter of Appointment
Ref: PJPHE/EIC/APP/2026/018

To
Emmanuel Urama, Researcher and Research Analyst, The George Institute for Global Health, London

Subject: Appointment as Editorial Board Member

Dear Urama,

On behalf of the editorial leadership of Populace Journal of Public Health and Epidemiology, I am pleased to confirm your appointment as **Editorial Board Member** for a term of **one year(s) from 26 October 2026,** as you chose, renewable by mutual agreement. Congratulations, and thank you for the confidence you place in the journal.

Your role

As an Editorial Board Member, you will support the journal through your expertise and your networks. You will:

- review a few manuscripts per year in your area of expertise, through the journal's editorial platform, where a reviewer account will be created for you;
- suggest qualified reviewers and advise the editors on the journal's scope, policies and development;
- promote the journal and encourage high-quality submissions from your networks.

Terms of the appointment

- **Workload and decisions:** a few manuscripts per year, handled entirely online; you may decline any invitation. Decisions on manuscripts are taken by the Editor-in-Chief and the Deputy Editors-in-Chief, based on peer review.
- **Voluntary role:** the appointment is unpaid and creates no financial obligation. The Editorial Office handles all administrative and technical tasks.
- **Confidentiality:** manuscripts, the identity of authors and reviewers, and editorial discussions remain confidential and must not be processed with generative AI tools.
- **Conflicts of interest:** you will declare any conflict of interest when you join and every year and decline any manuscript for which a conflict exists.
- **Visibility and recognition:** your name, title, affiliation, country, photograph and ORCID will be displayed on the Editorial Board page, and you will receive an annual certificate of editorial service.
- **Ending the appointment:** you may end your appointment at any time by simple email.

Documents to return

To confirm your appointment, please reply to this email within 14 days to tell us that you accept it and agree to be listed on the Editorial Board page, and please send us:

- your Conflict-of-Interest Declaration, completed online at https://coi.populacejournal.org;
- a short biography (50 to 80 words) and a recent professional photograph, if not already provided with your application.

Thank you for joining the journal. We would be grateful if you could share the journal and its call for papers across your networks. For any questions, please contact editorial@populacejournal.org.

Yours sincerely,

Dr Nadjib M. Mokraoui
Editor-in-Chief
Populace Journal of Public Health and Epidemiology
